

**UNITED STATES NAVAL SEA CADET CORPS**

4524-A WINCHESTER LANE \* YORKVILLE, IL 60560

14 MAY 10

As a regularly scheduled drill activity, my child has my permission to participate in the field trip to Flagship Weekend aboard NAVSTA Great Lakes with the Aurora Division, USNSCC on 14-16 MAY 10. I understand that the cadets will be transported by such designated adult drivers as the Commanding Officer/Executive Officer selects. I also understand that transport will be in personal vehicles, not government vehicles.

Cadets will depart from the US Army Reserve Center at 661 Sullivan Road promptly at 4:30p on Friday, 14 May 10. Cadets should bring money for dinner (approx. \$10 should be sufficient) or a sack lunch on Friday evening.

The cost of this event per cadet is \$30, which cadets should bring with them to the Reserve Center on the day of departure. This money covers berthing for two nights at the USN barracks, and 5 meals at the Galley, as well as the 2008 Flagship t-shirt.
